IN FAR CATHAY.

It daily meets my dreamy eyes,

That old world scene by farther som, And all unchanged; the water sighs Still in that bay, and still the breeze Sings low, sweet songs amid the trees. Here stands a house-quality, shadowed o'er By clust'ring branches; wavelets fill The river whisp'ring near the door; That white path meets the threshold still, And birds chirp love with bill to bill.

That rude old bridge still spans the stream, The passers few are passing yet; The boat is there—it doth mescem The sailors sleep—mayhap forget— For ne'er was sail since furled or set. The bay sprends out-clear, placid, bright-A summer see, fringed round with green: Afar some isle, maybap, in sight

Rising from out its breast is seen,

And houses mirror in its sheen. And all is still-nor voice, nor song, Comes the enjoyment to abate
